

REMARKS

Reconsideration and allowance of the subject application are respectfully requested.

The Examiner requests a more descriptive title. Applicants have adopted the title suggested by the Examiner. Withdrawal of the objection to the title is respectfully requested.

Applicants note with appreciation the Examiner's indication of allowable subject matter for claims 2-4, 8-29, and 31. Claim 1 now incorporates the allowable subject matter of claim 8. Allowable claim 2 has been rewritten in independent claim form. Various dependency amendments have been made due to the cancellation of claim 8. Claim 32 also incorporates the allowable subject matter of allowable claim 8. Non-limiting, grammatical amendments have been to claims 21-25. The application is now in condition for allowance.

Respectfully submitted,

NIXON & VANDERHYE P.C.
